GP Surgery Ownership Opportunity

The National Health Service (NHS) is a cornerstone of the United Kingdom's healthcare system, with an annual government expenditure exceeding £100 billion.

Why choose us?

- Guaranteed rental income secured by NHS contracts.
- Managed by experts with years in the healthcare sector.
- Secure long-term leases with regular rent reviews.
- 6.2% annual returns, low-risk and high security.
- Clear ownership structure with transparent reporting.

How to Invest in NHS-Backed GP Surgeries

Register

Fill out the form or contact us directly to get detailed project information.

Select

Review available GP projects and select your preferred option. Whether you want to purchase shares or fully own the property, we offer flexible routes designed for strong outcomes.

Start Earning

Complete your commitment by purchasing shares and start receiving bi-annual or annual returns.

Benefit from NHS-backed rental income through long-term FRI leases. With GMS contracts offering lifelong security, this opportunity provides stable, predictable returns.
